# FINAL TRIBUTE PAID LT. GARTIN

## HONOR IS BESTOWED BY COUNTY

Silently And in Endless Line Crowds  
Pass Casket as Body Lies in  
State Today

### FUNERAL SERVICES HELD

Military Escort of Officers From  
Camp Taylor and Platoon From  
Fort Harrison

### DEEP TRIBUTES ARE PAID

Greater Love Has no Man Than  
When he Lays Down His Life  
For Friend, Says Judge

Final tribute was paid today to  
Lieutenant Walter Gartin, both by  
word and deed.

Silently and in almost endless line  
people passed by the casket from  
eleven o'clock until two while the  
body lay in state in the First Baptist  
church.

People from all walks of life,  
from all parts of Rush county and  
many from surrounding towns and  
cities were in the throng of silent  
mourners.

The church was filled with people  
by one o'clock and not one-third of  
those who sought admission could  
be accommodated.

Six officers from Camp Taylor,  
Ky., all but one of them from here,  
formed a military escort, along with  
a platoon of men, commanded by  
Lieutenant Singer, of the Tenth in-  
fantry of the regular army, station-  
ed at Fort Benjamin Harrison.

Two men of the Tenth infantry  
stood at the foot of the casket and  
two stood at the head at attention  
all the time the body lay in state.

Business was suspended during  
the funeral. Flags waved from every  
business house and many residences.

Twenty-one soldiers of the civil  
war passed by the casket and sat  
during the service in the center of  
the church reserved section.

The platform was banked with  
countless beautiful floral pieces  
from friends, relatives and organi-  
zations of which the lieutenant was  
a member. Behind the platform hung  
the American flag and the church  
service flag, one blue star tinted  
gold. Ministers of Rushville church-  
es sat on the platform.

"Greater life has no man than this  
when he lays down his life for a  
friend," was the sentiment of Judge  
Will M. Sparks, in expressing the  
sympathy, love and affection of the  
county for the bereaved family.

"This is our Gethsemane," was  
the thought of the Rev. C. J. Bun-  
nell, who preached a brief funeral  
sermon. "This is our first real task

### Gold Stars To Be Put In Service Flags Since Lieutenant Gartin Died

The death of Lieut. Walter  
Gartin was the first to call forth  
the observance of the beautiful  
custom which has been adopted  
by local organizations in plac-  
ing a gold star in their service  
flags for each of the soldiers to  
lose their lives after enlist-  
ment.

The first gold star placed in  
the service flags at the Baptist  
church the Elks lodge, the high  
school and the Knights of  
Pythias will be in memory of  
Lieut. Gartin.

## First Local Soldier Who Died

LIEUTENANT WALTER GARTIN

## Calls Death of the First Soldier Our Gethsemane

The Rev. C. J. Bunnell Says In Funeral Sermon  
This is First Real Task of War In  
This Community.

## YOUNG MEN OF COUNTRY CATCH VISION

"This is our Gethsemane," began  
the Rev. C. J. Bunnell of the First  
Baptist church in his address at the  
funeral of Lieutenant Walter Gartin  
this afternoon. "This is our first  
real task of the war. The shock has  
been felt from a distance but the  
death of this dear boy brings it into  
our own homes. The community  
feels it. We all feel it.

"In connection with the story of  
Christ in the garden of Gethsemane,  
we think of three gardens; Eden,  
Gethsemane and Paradise. With Ed-  
en, we associate the fall of man;  
with Gethsemane, the Saviour's  
agony; Paradise means the joy that  
is to come.

"War is never satisfied except  
with the very best. Mental alertness  
and physical power must belong to  
the ones who go to the defense of  
their country. These things make  
young men attractive. The time may  
soon come when we will have three  
million of the flower of our young  
manhood under arms. Two million of  
them will be in France while the  
other million will be held in reserve  
or stand guard over the disloyal ele-  
ment in this country.

"When we look into the face of  
such fine young men as Walter Gar-  
tin, we can't keep from weeping.  
And we are not ashamed of our  
tears. Before many months, the en-  
tire nation will be weeping but un-  
ashamed. Our Gethsemane will be  
one of agony but we will no more  
dare to turn back before our mission  
is performed than the Saviour dared  
to turn back before his work was  
finished. Walter, if he could speak  
to us today, would bid us go for-  
ward.

"It seems to me as I look about  
me and see the young manhood of

this great country of ours placing  
themselves at the service of their  
country, that they have surely  
caught a vision. They have seen the  
vision of a sinking ship. They have  
heard the shrieks of drowning women;  
the screams of more than three  
score dying babies and the agoniz-  
ing groans of strong men as they  
disappear beneath the waves. The  
young manhood of this great coun-  
try of ours says that such a foul  
deed as that must be wiped out and  
the instigators of such a deed are  
unworthy to have a place among the  
rulers of the world. We all feel like  
that and believe that it is God's will  
that we should so feel.

"Our belief and desire is that the  
manhood of this nation must back  
up such young men as Walter Gar-  
tin, that we resolve that our dead  
shall not have died in vain. We are  
deeply moved and filled with right-  
eous indignation as we think of some  
of our boys in France and many on  
this side who are risking everything  
and that some of our people split  
hairs about wages and hours of  
service. We believe the laboring peo-  
ple can expect justice. That, they  
ought to have. But to strike now and  
place in jeopardy the lives of such  
young men as the one who now lies  
before us is a crime. During the  
time of the war it might not be out  
of place or too severe to punish  
strikers with the same penalty as  
desertion.

"But let us turn from the agony of  
Gethsemane to the love and sym-  
pathy here seen. The Master desired  
to be alone with the Father but he  
must have longed for human sym-  
pathy. Sympathy is love's expres-  
sion. To every believer, Gethsemane

## FUND UP TO HALF WAY MARK

\$250 of \$500 of Salvation Army  
Quota Raised

The half way mark in raising the  
Salvation Army war fund has been  
reached by Capt. VonEgmond who  
has received subscriptions for \$250  
of the \$500 allotted to Rush county  
toward the national war relief fund.  
Capt. VonEgmond of the local Sal-  
vation army will complete raising  
the subscriptions in this city this  
week and then visit each of the  
smaller towns in the county in the  
hopes of completing the fund. He  
will start on the county campaign  
the first of next week.

## MERCURY SHATTERS HOPES FOR SPRING

Touched Familiar Mark Near Zero  
This Morning and Remained  
Cold All Day

### DEALERS HAVE MORE COLD

All hopes for an early spring that  
might make up for the cold winter  
weather have been shattered by the  
continued cold of the last few days  
and the mercury resting at its fam-  
iliar place near the zero mark. The  
coldest point during last night was  
3 above zero, 13 degrees lower than  
it dropped on the previous night at  
the coldest point. The mercury  
dropped thirteen degrees in the night  
for at 6:30 it was 16 degrees above  
zero. At nine o'clock this morning, it  
had climbed to 10 degrees above.

As to the coal situation, one deal-  
er received two carloads today and  
another was expecting two before  
the day was over. Although it was  
easy to sell the coal, the demand  
was not as great as it has been.

## URGES GOVERNMENT OWN ALL RAILROADS

Senator Lewis of Illinois Says Gov-  
ernment Ownership is Necessary  
as Preparedness Step

### AMENDS CORPORATION BILL

(By United Press.)

Washington, Feb. 21.—The Senate  
finance committee today reported  
the amendment to the \$500,000,000  
finance corporation bill. The bill has  
been materially amended and some  
portions of it rewritten. The sub-  
committee of the Senate Judicial  
committee voted to report favorably  
on the "appalling" bill, designated to  
give President Wilson power to  
slash the red tape in war govern-  
ment.

Predicting that America will soon  
be forced to fight for Alaska and  
Hawaii, Senator Lewis of Illinois de-  
manded government ownership of  
railroads continue," he said "we will  
have no adequate means of rushing  
troops to the points in our defense."  
Lewis declared that German in-  
trigue will incite Russia to seize  
Alaska to force its fighting powers  
and minimize her assistance to the  
Allies on the western front.

"Graft exists 'to an alarming de-  
gree' among officers and directors  
of the federal reserve system" Chairman Carter Glass of the house  
charged today.

### TWO DIE IN FIRE

New York, Feb. 21.—Two men  
were killed and several injured in a  
fire that destroyed the four story  
Salvation Army training college  
here today.

When They Learn German Dic-  
tated Peace is Likely

### Germans Distribute Proclamations

(By United Press.)

London, Feb. 21.—German detach-  
ments, 20 miles of Vitesk distributed  
proclamations declaring resistance  
to Germany was futile and that Ger-  
man forces are preparing to occupy  
Petrograd, according to a dispatch  
from Petrograd today.

### Claim Capture Many Men

Berlin, Feb. 21.—"Pressing east-  
ward from Divinsk on a front of  
more than 400 miles, we have clear-  
ed the line of enemy and taken a  
general, 425 officers and 8,700 men,"  
the German war office declared to-  
day. "In addition to prisoners we  
took machine guns, over 400 auto-  
mobiles, food laden trains and in-  
calculable other materials."

### Ask Poles Independence

The Hague, Feb. 21.—Dispatches  
from German sources declared Ger-  
many will make no peace with Rus-  
sia until the latter guarantees the  
independence of the Russian Poles.

The dispatches said Germany de-  
sires guarantees of Russian debt to  
the central powers and that the citi-  
zens of Germany are willing of rep-  
resent neutral countries in regard  
to their claims of debt.

Petrograd, Feb. 21.—Russian ar-  
mies are concentrating at Vitesk to  
hold the German invaders.

Army commissioners along the  
entire front have sounded the mob-  
ilization and wired Petrograd sol-  
diers to do their duty and defend  
the revolution.

By a majority the central execu-  
tive committee vote to defend Petro-  
grad at all costs.

American Ambassador Francis  
and the allied envoys were preparing  
to depart from Petrograd when they  
heard of the announcement that  
Lenine was willing to sign a German  
dictated peace.

Lenine was the chief advocate of  
the announcement of Russia's will-  
ingness to conclude peace. Four  
other members of the council sup-  
ported him and four opposed him.

The opinion here is that Petro-  
grad's fate will be decided within 10  
days.

## REGISTRANT IS EXAMINED

Evidence Regarding His Farming  
Sought For District Board

The county army selection board  
conducted a hearing this morning, at  
the request of the district board, to  
determine whether a Rush county  
registrant is worth more to the  
country as a farmer than a soldier.  
The district board was unable to  
rule on his affidavit for deferred  
classification because of being a  
farmer, and asked the local board  
to get further evidence and forward  
it.

—Lieut. Scott E. Buell of Camp  
Taylor arrived last night for the  
funeral of Lieut. Gartin and made a  
short visit with his parents, Mr. and  
Mrs. D. C. Buell.

## MANY CRIMINAL CASES DISMISSED

Most of Them Are Nollied on Mo-  
tion of Prosecutor For The  
Lack of Evidence

### GRAND JURY IS ORGANIZED

Convenes Wednesday and Foreman  
is Chosen But Session is Held  
Today

The grand jury convened yester-  
day for the first time this term of  
court, but was not in session today.  
It is not believed that there is any-  
thing very pressing to command the  
attention of the jury. J. Ed Caldwell,  
James Robertson and Frank E. Sam-  
ple of the regular panel were ex-  
cused for cause and Alfred Cald-  
well, O. M. Harton and Carl Wilson  
were substituted. Mr. Harton was  
made foreman.

Several criminal cases have been  
dismissed, some for lack of evidence  
and others for other causes.

The following cases were nollied  
on the motion of Prosecutor Stevens  
because of lack of evidence: state  
against Daniel W. Corya, accused of  
drawing deadly weapons; state vs  
John Walker, charged with operat-  
ing a lottery; state vs Shirley Wil-  
liams, accused of petit larceny.

The case of the state against  
Ralph Wagoner for grand larceny  
was nollied on motion of the pro-  
secuting attorney because he enlisted  
in the army. The charge against Wil-  
ley Hinton was nollied on motion of  
the prosecuting attorney, no reason  
being assigned.

A notation on the criminal docket  
stated that Thomas Beckner,  
charged with marrying to escape  
criminal prosecution, could not be  
found. The case in which William  
H. Roots was charged with a serious  
offense was dismissed on motion of  
the prosecuting attorney because he  
married the prosecuting witness.

The motion of the defendant in the  
divorce case of Leona Tribbey  
against John B. Tribbey to modify  
the decree issuing a restraining or-  
der against the defendant, was  
granted and H. G. Hackman was ap-  
pointed receiver to take charge of  
the property and conduct the sale  
which Mr. Tribbey had advertised.

The account suit of the Enterprise  
Aluminum company against M. I.  
Miller for \$65 was dismissed and the  
costs paid. The same action was  
taken in the suit on account of the  
Reliance Coal and Coke company  
against Hiram Henley. On default  
of the defendant, Judge Sparks  
granted judgment to the plaintiff in  
the case of the Muncie Casket com-  
pany against E. D. Lewis for \$120  
on notes. The judgment was for  
\$94.15 on principal and interest and  
\$10 attorney's fees.

The appeal of the Red Cross for an abandonment on the part of the belligerent armies of the use of asphyxiating and other poisonous gases will fall upon deaf ears. Gas fighting is no new thing though it has remained for this war to develop it to the highest pitch. This war seems to have taught us that there are no Marquis of Queensbury rules applicable to nations, so we might as well go on and give the Huns three gas-bombs for every one of theirs, and reduce the gas of oratory to a minimum.

Five mysterious and costly fires in one day caused great damage to plants doing war work in Newark, Newport, Baltimore, Buffalo and Paterson. They are believed to be the work of enemy aliens—yet we do not hear of many enemy aliens being rounded up anywhere and of still fewer who are being punished for anything.

Von Hindenburg has been telling German editors that he will be in Paris by April first. Wonder if they saw the joke.

#### GROCERS MEETING FRIDAY

An important meeting of the grocers of Rush county will be held in the sheriff's office at the court house tomorrow afternoon at 1:30 o'clock when the new flour regulations will be discussed and plans for seeing that they are carried out will be made. Food Administrator M. F. Lovett has called the meeting.

Tuesday is to be "goat day" in Arizona. It seems that the denizens of the cactus state simply can't stand it unless they are permitted to run their barbecue stands, and if they substitute goat meat their places of business need not close on Tuesday. "Their strong talking point," says the Food Administration bulletin, "was the fact that America is not called upon to send goats across the sea," which must be dispelling news to Secretaries Daniels and Baker.

# More Building Now Per Dollar! Why Wait?

**T**HE average rise in prices of building materials has amounted to less than 30% all told. ¶ The rise in prices of farm and many manufactured products has amounted to from 100% to 300%. ¶ Therefore, your products with which you do your trading will buy more than twice as much building now as at any other time. ¶ Think of it! With the same quantity wheat, corn, oats, etc., as before the war, one can build two houses, two barns, two cribs—two anything! Building never was, nor will be cheaper!

¶ Prices will not drop for years. Certainly not during the war. And they have remained up after every war in modern history. You would be the last to want them to drop! But the chances are building materials will rise. Reconstruction work, resuming industries forced out by war and big building demand will do it. Don't get caught!

¶ These are prosperous times—billions being spent — with greater times coming. Buildings needed now will produce a rental proportionate to their cost. Rest assured of this!

¶ Is it not logical then, for you to BUILD NOW—when you have the money—when your products can buy more building than ever before—when your prosperity and your country's depend on your keeping money in circulation, business going?

¶ We are confident you will answer YES! place your order and Build NOW!

Rushville High School Basketball  
Team Defeats Union County  
Five Here, 27 to 14

**HELD THEM TO 3 FIELD GOALS**

Makes Rushville Look Like Winner  
For Invitational Tournament  
Here Saturday

Rushville high school basketball team atoned for its defeat at Liberty high school here last night, 27 to 14. Rushville held the visitors to three measly field goals, two of which were made in the first half. Liberty made its score as large as it was by making eight foul goals out of ten chances—four in each half.

The victory last night makes Rushville look like a sure winner for the invitational tournament which will be held here Saturday when Shelbyville, Greensburg, Connersville, Milroy, Manilla, Knightstown,

## Get the Habit of Drinking Hot Water Before Breakfast

Says we can't look or feel right  
with the system full  
of poisons.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infest the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so limestone phosphate and hot water act on the stomach, liver, kidneys and bowels. It is vastly more important to bathe on the inside than on the outside, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

## Grandpa Is Sixty-four Today

and in the best of health. Hale and hearty, with good, red blood, good appetite and good digestion. Grandpa's nerves are steady, too. He takes care of himself. He keeps himself fit. He sees to it that his nerves and blood are in good shape. When he finds that he is eating without relish, feeling a little depressed and cross, sleepy all day yet can not sleep at night, he begins his treatment of Bio-feren, the nerve and blood tonic. Bio-feren, a compound of Lecithin, Iron Peptonate and other valuable tonic elements in tablet form, is just exactly what the average tired business man, the average housekeeper needs at this season of the year. It tones the nerves and puts vigor and energy into the system. There is no mystery about Bio-feren. Every package shows just exactly the content. Ask your doctor about Bio-feren, or, if you wish, send us his name and we will forward him the complete formula. Give Bio-feren a fair trial. ## DON'T SUFFER WITH NEURALGIA

Use Soothing Musterole

When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief.

Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister.

Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet—colds of the chest (it often prevents pneumonia). It is always dependable.

30c and 60c jars; hospital size \$2.50.

Morristown and the local five will participate.

This is only the second loss of the season for Liberty that aggregation having won everything up to last night with the exception of one game with Eaton, O. Among their scalps this season is that of the Steel High school of Dayton, O.

Rushville was up and after them all the time last night and had a margin of five points to spare when the whistle blew at the end of the first half. Rushville increased the lead in the second half, making it a clean victory by throwing seven field goals. Of the 27 points, only one was made with a foul goal.

The local boys played like demons. The spirit with which they entered the game spelled victory because they were out to win. Their team work excelled that of the visitors and their guarding was so close that even when Liberty did get a shot at the basket, it was nearly always a hard chance and went far from the mark.

Keating got to going exceptionally good the last half and negotiated five field goals in that period, after having made two in the first. Tompkins played a good game at the other forward. He was relieved during the last few minutes of play and Brown was in long enough to make one field goal. Reed pulled a field goal from the center of the floor the first half which brought the crowd to its feet.

Liberty played a good clean game and will undoubtedly be a strong contender at the sixth district tournament. A big delegation came over with the team.

Rushville high school second team won the curtain raiser from a five from the Rushville township consolidated school in the Webb neighborhood, 8 to 6.

The summary of the Rushville-Liberty game was as follows:

Liberty (14)	Rushville (27)	
Stevens	Forward	Keating
Mybaugh	Forward	Tompkins
Samuels	Center	Daily
Parson	Guard	Reed
Fosdick	Guard	Norris

Field goals—Stevens, Mybaugh, Thompson, Keating 7, Tompkins 2, Daily 2, Reed, Brown; foul goals—Stevens 8, Keating.

Substitutions—Brown for Tompkins, Thompson for Mybaugh and Kitchell for Samuels.

Referee—Westover.

## LISTEN TO OUR STORY

Come to our store and listen to the tale of this spreader, "RUSHVILLE SPECIAL." This machine is built especially for us, to fit and to fill the requirements of our own territory, and we wish you would come and listen to the story connected with this modern machine.

It has more quality features, protected by patents than any other machine we know of. It has the only beater wheel which will not clog or choke on any kind of material. It has the only box that will not clog or choke. It has the lightest draft of any known spreader. Customers tell us they can see no difference in the draft when distributing or when hauling the load to the field.

The main bearings are built like a railroad car—packed with waste and oil. It is almost entirely of steel, and because of this unusual construction and the lack of hard, heavy draft, it carries a guarantee for five years.

The "RUSHVILLE SPECIAL" has only two gear wheels, only one lever, and requires less knowledge and skill and experience to operate than any manure spreader we ever heard of. It is almost human in its operations. You work one lever and everything else takes care of itself.

We are selling this spreader because we believe it is the best machine that money can buy. We know this from our own experience and the experience of others. Come in and listen to the story the "RUSHVILLE SPECIAL" can tell.

Social Dozen in the afternoon with Miss Sue Gregg at her home, 221 North Harrison street.

During the past few days the home of Mr. and Mrs. Leroy Lines of Anderson township has been the scene of several delightful social events. Friday evening a prettily appointed dinner party was given for which a color scheme of yellow and green was carried out. A french basket filled with dainty spring flowers adorned the center of the table which was lighted with yellow and white tapers hooded with daintily painted shades of yellow and green. Covers were laid for Mr. and Mrs. J. C. Hammond, Mr. and Mrs. J. H. Spillman, Mr. and Mrs. Thomas Innis, Mr. and Mrs. Edgar Thomas, Mr. and Mrs. William Billings and Miss Clara Archey.

On Tuesday evening Mr. and Mrs. Lines entertained with the second of the series of dinner parties. The guests included Mr. and Mrs. Ray Selby, Mr. and Mrs. Rex Innis, Mr. and Mrs. William Meek, Mr. and Mrs. Fred Shelborne, Mrs. Clifford Powers, Miss Freda Morgan, Miss Ellendore Lampton and Roy Banta.

William Fair was pleasantly surprised on Tuesday evening at his home west of the city, the occasion being his 45th birthday. Fifty-three of his friends took part in arranging the surprise and spent a happy evening together playing games while music was played on the Victrola. Dainty refreshments were served late in the evening.

Among the guests were Mr. and Mrs. Ernest Linville and children, Mr. and Mrs. Sam Hendricks, Mr. and Mrs. Carl Hendricks, Mr. and Mrs. Bert Gilson and daughter, Dorothy, Mr. and Mrs. Tom Miller and daughter, Mr. and Mrs. Fred Hann and children, Mr. and Mrs. Ora Cline and children, Mr. and Mrs. Carry Cross and children, Mrs. Newlin, Mr. and Mrs. Raymond Fair, the Misses Mary Carr, Valla Hileman, and Dallas Bird, Marlan Gibson, Robert Fair and Thomas Fair.

Aside from the members of the club the guests included Miss Grace Jenkins, of Peru, sister of the hostess, Mrs. Will Carter, Miss Mayme Hiner Mrs. Mary L. Neutzenhizer and Mrs. Hubert Innis.

**AN OLD RECIPE TO DARKEN HAIR**

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

First Presbyterian church was held yesterday afternoon with Mrs. Joseph Cowing at her home in North Main street. The business session was following by a pleasant social hour when the guests did Red Cross work. The assistant hostesses were Mrs. Mollie Conner, Mrs. John Morris and Mrs. Jesse Winship.

Miss Helen Thomas will entertain a number of her boy and girl friends at her home in North Perkins street on Saturday evening with a pitch-in supper. The guests will attend the basketball tournament during the afternoon and evening.

This Lady Was Told by Many That Pepsinco Would Help Her, But She Just Would Not Believe it.

Mrs. G. wasn't sick, but she had the same trouble after every meal. Heavy load, pain, bloating and sourness. The condition would pass off in time, but she really dreaded her meals. She often read of Pepsinco, and often heard of it, but never gave it enough thought to stop at the drug store and get a package, until a druggist gave her a small sample.

Mrs. G. now recommends Pepsinco to everyone she meets who complains of feeling bad. Never has Pepsinco had as good a booster as this lady since she discovered how good it really is. Pepsinco is made to help all bad conditions of the stomach. It never fails. It is sold and recommended by all druggists. Positively guaranteed.

# POLICE TRY TO BREAK UP COAL THIEVING HERE

Arrest Two Men and a Boy, Specifically Charged with Boarding a Moving Train

## TWO ARE FINED \$2 AND COSTS

Two men and a boy were arrested last night by the police, specifically charged with boarding a moving train, but for the purpose of breaking the coal thieves which had been going on here last night. The police made the raid on coal thieves last night after repeated complaints had been made by the L. E. & W. railroad to break up the practice.

As a freight was leaving here last night, Policeman Newhouse and Havens boarded the engine and Policeman Seward the caboose, while Chief of Police waited at the Ninth street crossing. Jesse Mathews, Jesse Israel and Barnett Small were arrested as they jumped from the train. The police saw two other men leaving the vicinity pushing a handcart. The police gave chase and the men ran, abandoning the cart which was partially filled with coal.

Mathews and Israel pleaded guilty in police court this morning and were fined \$2 and costs each. They arranged to stay the fines. Small, who is a boy, was released last night and will be brought up in juvenile court.

## BACK HURTS BEGIN ON SALTS

Flush the Kidneys at once when Back-ache or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acid in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

of the war. The shock has been felt from a distance but the death of this dear boy brings it into our own homes. The community feels it. We all feel it.

The military escort from Camp Taylor was composed of Lieutenants Scott Baell, Ivan Coyne, Harry Petry and Hays, Captains Perry Oneal and Cary Carson and Private Robert Humes. They marched at the head of the cortege, the platoon from the Tenth infantry following. The Uniform Rank, Knights of Pythias followed and then came the hearse.

The pall bearers were from the Uniform Rank and were as follows: Floyd Hogsett, B. O. Simpson, G. P. Hunt, Samuel L. Trabine, Ed Beer and John Worthington.

The military escort of officers and privates from Camp Taylor and Fort Harrison sat in seats reserved for them. Seats were also reserved in the center section for the relatives. Reading the 23rd Psalm, the Rev. Mr. Bunnell led the family to their places.

After the scripture reading by the Rev. Mr. Bunnell, the Rev. D. Ira Lambert of the First Presbyterian church offered prayer and Judge Sparks spoke.

"Greater love has no man," said Judge Sparks, "than this when he lays down his life for a friend. Success is viewed by the amount of one's life spent. If that be the true measure, then Walter Gartin has paid the supreme sacrifice and has again been successful.

"We meet here not as members of this church, because most of us are not, but because he was a child of this county, a part of the great commonwealth of the state of Indiana.

"Walter Gartin was good, kind, gentle, well-mannered and gentlemanly, and it is to him we pay respect.

"At such times as this language is wholly inadequate. I feel like reverential silence is better.

"Might that we as a community," he declared addressing the family, extend our arms and help the distressed family bear the burden of this loss. Walter was one of the first to go and the first to come back. But there is a cheerful side to this. I do not want to harrow feelings. We will think of Walter as an example for other young men.

"You have not been alone in this vigil. During the silent hours of the night prayers have been sent to the throne to spare this boy. I do not know why these prayers were not answered. That is not for us to explain."

The services closed with the ritualistic service of the Uniform Rank, Knights of Pythias.

until the war was over. Some were willing to take the oath of allegiance to Great Britain and return home. Others were bitter and held out. Not until 1905 did the last prisoner take the oath of allegiance. Christ is our great victor. He is the King of truth and eternity. We must acknowledge Him or die in our sin. Walter did the wise thing at the age of twelve years. Christ's victory became Walter's victory.

"The other thought in this connection is the fruit of victory. When Christ conquered sin it was for all men who were willing to trust Him. By our faith in Him, His victory becomes our common inheritance. 'Oh, Death, where is thy victory?' When a ball game is over and we hear that one captain is beaten, we know that implies the defeat of the whole team, even the best player in it. The victory of the other cap-

tain means that all on his side are victorious, too, including the most indifferent players.

"Are we on Christ's side? Walter was. Then we are sure of victory

## FINAL TRIBUTE PAID LT. GARTIN

### HONOR IS BESTOWED BY COUNTY

Silently And in Endless Line Crowds  
Pass Casket as Body Lies in  
State Today

#### FUNERAL SERVICES HELD

Military Escort of Officers From  
Camp Taylor and Platoon From  
Fort Harrison

#### DEEP TRIBUTES ARE PAID

Greater Love Has no Man Than  
When he Lays Down His Life  
For Friend, Says Judge

Final tribute was paid today to  
Lieutenant Walter Gartin, both by  
word and deed.

Silently and in almost endless line  
people passed by the casket from  
eleven o'clock until two while the  
body lay in state in the First Baptist  
church.

People from all walks of life,  
from all parts of Rush county and  
many from surrounding towns and  
cities were in the throng of silent  
mourners.

The church was filled with people  
by one o'clock and not one-third of  
those who sought admission could  
be accommodated.

Six officers from Camp Taylor,  
Ky., all but one of them from here,  
formed a military escort, along with  
a platoon of men, commanded by  
Lieutenant Singer, of the Tenth In-  
fantry of the regular army, station-  
ed at Fort Benjamin Harrison.

Two men of the Tenth infantry  
stood at the foot of the casket and  
two stood at the head at attention  
all the time the body lay in state.

Business was suspended during  
the funeral. Flags waved from every  
business house and many residences.  
Twenty-one soldiers of the civil  
war passed by the casket and sat  
during the service in the center of  
the church reserved section.

The platform was banked with  
countless beautiful floral pieces  
from friends, relatives and organi-  
zations of which the lieutenant was  
a member. Behind the platform hung  
the American flag and the church  
service flag, one blue star tinted  
gold. Ministers of Rushville church-  
es sat on the platform.

"Greater life has no man than this  
when he lays down his life for a  
friend," was the sentiment of Judge  
Will M. Sparks, in expressing the  
sympathy, love and affection of the  
county for the bereaved family.

"This is our Gethsemane," was  
the thought of the Rev. C. J. Bun-  
nell, who preached a brief funeral  
sermon. "This is our first real task

#### Gold Stars To Be Put In Service Flags Since Lieutenant Gartin Died

The death of Lieut. Walter  
Gartin was the first to call forth  
the observance of the beautiful  
custom which has been adopted  
by local organizations in plac-  
ing a gold star in their service  
flags for each of the soldiers to  
lose their lives after enlist-  
ment.

The first gold star placed in  
the service flag at the Baptist  
church and the Elks lodge, the high  
school and the Knights of  
Pythias will be in memory of  
Lieut. Gartin.

### First Local Soldier Who Died

LIEUTENANT WALTER GARTIN

### Calls Death of the First Soldier Our Gethsemane

The Rev. C. J. Bunnell Says In Funeral Sermon  
This is First Real Task of War In  
This Community.

#### YOUNG MEN OF COUNTRY CATCH VISION

"This is our Gethsemane," began  
the Rev. C. J. Bunnell of the First  
Baptist church in his address at the  
funeral of Lieutenant Walter Gartin  
this afternoon. "This is our first  
real task of the war. The shock has  
been felt from a distance but the  
death of this dear boy brings it into  
our own homes. The community  
feels it. We all feel it."

"In connection with the story of  
Christ in the garden of Gethsemane,  
we think of three gardens; Eden,  
Gethsemane and Paradise. With Ed-  
en, we associate the fall of man;  
with Gethsemane, the Saviour's  
agony; Paradise means the joy that  
is to come.

"War is never satisfied except  
with the very best. Mental alertness  
and physical power must belong to  
the ones who go to the defense of  
their country. These things make  
young men attractive. The time may  
soon come when we will have three  
million of the flower of our young  
manhood under arms. Two million of  
them will be in France, while the  
other million will be held in reserve  
or stand guard over the disloyal ele-  
ment in this country.

"When we look into the face of  
such fine young men as Walter Gar-  
tin, we can't keep from weeping.  
And we are not ashamed of our  
tears. Before many months, the en-  
tire nation will be weeping but un-  
ashamed. Our Gethsemane will be  
one of agony but we will no more  
dare to turn back before our mission  
is performed than the Saviour dared  
to turn back before his work was  
finished. Walter, if he could speak  
to us today, would bid us go for-  
ward.

"It seems to me as I look about  
me and see the young manhood of

this great country of ours placing  
themselves at the service of their  
country, that they have surely  
caught a vision. They have seen the  
vision of a sinking ship. They have  
heard the shrieks of drowning wom-  
en; the screams of more than three  
score dying babies and the agoniz-  
ing groans of strong men as they  
disappear beneath the waves. The  
young manhood of this great coun-  
try of ours says that such a foul  
deed as that must be wiped out and  
the instigators of such a deed are  
unworthy to have a place among the  
rulers of the world. We all feel like  
that and believe that it is God's will  
that we should so feel.

"Our belief and desire is that the  
manhood of this nation must back  
up such young men as Walter Gar-  
tin, that we resolve that our dead  
shall not have died in vain. We are  
deeply moved and filled with right-  
eous indignation as we think of some  
of our boys in France and many on  
this side who are risking everything  
and that some of our people split  
hairs about wages and hours of  
service. We believe the laboring peo-  
ple can expect justice. That, they  
ought to have. But to strike now and  
place in jeopardy the lives of such  
young men as the one who now lies  
before us is a crime. During the  
time of the war it might not be out  
of place or too severe to punish  
strikers with the same penalty as  
desertion.

"But let us turn from the agony of  
Gethsemane to the love and sym-  
pathy here seen. The Master desired  
to be alone with the Father but he  
must have loved for human sym-  
pathy. Sympathy is love's expres-  
sion. To every baker, Gethsemane

### FUND UP TO HALF WAY MARK

\$250 of \$500 of Salvation Army  
Quota Raised

The half way mark in raising the  
Salvation Army war fund has been  
reached by Capt. VonEgmond who  
has received subscriptions for \$250  
of the \$500 allotted to Rush county  
toward the national war relief fund.  
Capt. VonEgmond of the local Sal-  
vation army will complete raising  
the subscriptions in this city this  
week and then visit each of the  
smaller towns in the county in the  
hope of completing the fund. He  
will start on the county campaign  
the first of next week.

### MERCURY SHATTERS HOPES FOR SPRING

Touched Familiar Mark Near Zero  
This Morning and Remained  
Cold All Day

#### DEALERS HAVE MORE COLD

All hopes for an early spring that  
might make up for the cold winter  
weather have been shattered by the  
continued cold of the last few days  
and the mercury resting at its fam-  
iliar place near the zero mark. The  
coldest point during last night was  
8 above zero, 13 degrees lower than  
it dropped on the previous night at  
the coldest point. The mercury  
dropped thirteen degrees in the night  
for at 6:30 it was 16 degrees above  
zero. At nine o'clock this morning, it  
had climbed to 10 degrees above.

As to the coal situation, one deal-  
er received two carloads today and  
another was expecting two before  
the day was over. Although it was  
easy to sell the coal, the demand  
was not as great as it has been.

### URGES GOVERNMENT OWN ALL RAILROADS

Senator Lewis of Illinois Says Gov-  
ernment Ownership is Necessary  
as Preparedness Step

#### AMENDS CORPORATION BILL

(By United Press.)

Washington, Feb. 21.—The Senate  
finance committee today reported  
the amendment to the \$500,000,000  
finance corporation bill. The bill has  
been materially amended and some  
portions of it rewritten. The sub-  
committee of the Senate Judicial  
committee voted to report favorably  
on the "appalling" bill, designated to  
give President Wilson power to  
slash the red tape in war govern-  
ment.

Predicting that America will soon  
be forced to fight for Alaska and  
Hawaii, Senator Lewis of Illinois de-  
manded government ownership of  
railroads continue," he said "we will  
have no adequate means of rushing  
troops to the points in our defense."  
Lewis declared that German in-  
trigue will incite Russia to seize  
Alaska to force its fighting powers  
and minimize her assistance to the  
Allies on the western front.

Graft exists "to an alarming de-  
gree" among officers and directors  
of the federal reserve system,"  
Chairman Carter Glass of the house  
charged today.

#### TWO DIE IN FIRE

were killed and several injured in a  
fire that destroyed the four story  
Salvation Army training college  
here today.

#### Germans Distribute Proclamations

(By United Press.)

London, Feb. 21.—German detach-  
ments, 20 miles of Vitebsk distributed  
proclamations declaring resistance  
to Germany was futile and that Ger-  
man forces are preparing to occupy  
Petrograd, according to a dispatch  
from Petrograd today.

#### Claim Capture Many Men

Berlin, Feb. 21.—"Pressing east-  
ward from Divinsk on a front of  
more than 400 miles, we have clear-  
ed the line of enemy and taken a  
general, 425 officers and 8,700 men,"  
the German war office declared to-  
day. "In addition to prisoners we  
took machine guns, over 400 auto-  
mobiles, food laden trains and in-  
calculable other materials."

#### Ask Poles Independence

The Hague, Feb. 21.—Dispatches  
from German sources declared Ger-  
many will make no peace with Rus-  
sia until the latter guarantees the  
independence of the Russian Poles.

The dispatches said Germany de-  
sires guarantees of Russian debt to  
the central powers and that the citi-  
zens of Germany are willing to re-  
present neutral countries in regard  
to their claims of debt.

Petrograd, Feb. 21.—Russian ar-  
mies are concentrating at Vitebsk to  
hold the German invaders.

Army commissioners along the  
entire front have sounded the mo-  
bilization and wired Petrograd sol-  
diers to do their duty and defend  
the revolution.

By a majority the central execu-  
tive committee vote to defend Petro-  
grad at all costs.

American Ambassador Francis  
and the allied envoys were preparing  
to depart from Petrograd when they  
heard of the announcement that  
Lenine was willing to sign a German  
dictated peace.

Lenine was the chief advocate of  
the announcement of Russia's will-  
ingness to conclude peace. Four  
other members of the council sup-  
ported him and four opposed him.

The opinion here is that Petro-  
grad's fate will be decided within 10  
days.

### REGISTRANT IS EXAMINED

Evidence Regarding His Farming  
Sought For District Board

The county army selection board  
conducted a hearing this morning, at  
the request of the district board, to  
determine whether a Rush county  
registrant is worth more to the  
country as a farmer than a soldier.  
The district board was unable to  
rule on his affidavit for deferred  
classification because of being a  
farmer, and asked the local board  
to get further evidence and forward  
it.

Lieut. Scott E. Buell of Camp  
Taylor arrived last night for the  
funeral of Lieut. Gartin and made a  
short visit with his parents, Mr. and  
Mrs. D. C. Buell.

### MANY CRIMINAL CASES DISMISSED

Most of Them Are Nollied on Mo-  
tion of Prosecutor For The  
Lack of Evidence

#### GRAND JURY IS ORGANIZED

Convenes Wednesday and Foreman  
is Chosen But Session is Held  
Today

The grand jury convened yester-  
day for the first time this term of  
court, but was not in session today.  
It is not believed that there is any-  
thing very pressing to command the  
attention of the jury. J. Ed Caldwell,  
James Robertson and Frank E. Sam-  
ple of the regular panel were ex-  
cused for cause and Alfred Cald-  
well, O. M. Harton and Carl Wilson  
were substituted. Mr. Harton was  
made foreman.

Several criminal cases have been  
dismissed, some for lack of evidence  
and others for other causes.

The following cases were nollied  
on the motion of Prosecutor Stevens  
because of lack of evidence: State  
against Daniel W. Cory, accused of  
drawing deadly weapons; state vs.  
John Walker, charged with operat-  
ing a lottery; state vs. Shirley Wil-  
liams, accused of petit larceny.

The case of the state against  
Ralph Waggoner for grand larceny  
was nollied on motion of the prose-  
cuting attorney because he enlisted  
in the army. The charge against Wil-  
ley Hinton was nollied on motion of  
the prosecuting attorney, no reason  
being assigned.

A notation on the criminal docket  
stated that Thomas Beckner, charged  
with marrying to escape  
criminal prosecution, could not be  
found. The case in which William  
H. Root was charged with a serious  
offense was dismissed on motion of  
the prosecuting attorney because he  
married the prosecuting witness.

The motion of the defendant in the  
divorce case of Leona Tribbey  
against John B. Tribbey to modify  
the decree issuing a restraining or-  
der against the defendant, was  
granted and H. G. Hackman was ap-  
pointed receiver to take charge of  
the property and conduct the sale  
which Mr. Tribbey had advertised.

The account suit of the Enterprise  
Aluminum company against M. I.  
Miller for \$65 was dismissed and the  
costs paid. The same action was  
taken in the suit on account of the  
Reliance Coal and Coke company  
against Hiram Henley. On default  
of the defendant, Judge Sparks  
granted judgment to the plaintiff in  
the case of the Muncie Casket com-  
pany against E. D. Lewis for \$120  
on notes. The judgment was for  
\$94.15 on principal and interest and  
\$10 attorney's fees.

The appeal of the Red Cross for an abandonment on the part of the belligerent armies of the use of asphyxiating and other poisonous gases will fall upon deaf ears. Gas fighting is no new thing, though it has remained for this war to develop it to the highest pitch. This war seems to have taught us that there are no Marquis of Queensbury rules applicable to nations, so we might as well go on and give the Huns three gas-bombs for every one of theirs, and reduce the gas of oratory to a minimum.

Five mysterious, and costly fires in one day caused great damage to plants doing war work in Newark, Newport, Baltimore, Buffalo and Paterson. They are believed to be the work of enemy aliens—yet we do not hear of many enemy aliens being rounded up anywhere and of still fewer who are being punished for anything.

Von Hindenburg has been telling German editors that he will be in Paris by April first. Wonder if they saw the joke.

**GROCERS MEETING FRIDAY**  
An important meeting of the grocers of Rush county will be held in the sheriff's office at the court house tomorrow afternoon at 1:30 o'clock when the new flour regulations will be discussed and plans for seeing that they are carried out will be made. Food Administrator M. F. Lovett has called the meeting.

Tuesday is to be "goat day" in Arizona. It seems that the denizens of the cactus state simply can't stand it unless they are permitted to run their barbecue stands, and if they substitute goat meat their places of business need not close on Tuesday. Their strong talking point, says the Food Administration bulletin, "was the fact that America is not called upon to send goats across the sea," which must be disarming news to Secretaries Daniels and Baker.

# More Building Now Per Dollar!

## Why Wait?

**T**HE average rise in prices of building materials has amounted to less than 30% all told. ¶ The rise in prices of farm and many manufactured products has amounted to from 100% to 300%. ¶ Therefore, your products with which you do your trading will buy more than twice as much building now as at any other time. ¶ Think of it! With the same quantity wheat, corn, oats, etc., as before the war, one can build two houses, two barns, two cribs—two anything! Building never was, nor will be cheaper!

¶ Prices will not drop for years. Certainly not during the war. And they have remained up after every war in modern history. You would be the last to want them to drop! But the chances are building materials will rise. Reconstruction work, resuming industries forced out by war and big building demand will do it. Don't get caught!

¶ These are prosperous times—billions being spent—with greater times coming. Buildings needed now will produce a rental proportionate to their cost. Rest assured of this!

¶ Is it not logical then, for you to BUILD NOW—when you have the money—when your products can buy more building than ever before—when your prosperity and your country's depend on your keeping money in circulation, business going?

¶ We are confident you will answer YES! place your order and Build NOW!

## ATONES FOR ITS LOSS AT LIBERTY

Rushville High School Basketball Team Defeats Union County Five Here, 27 to 14

**HELD THEM TO 3 FIELD GOALS**

Makes Rushville Look Like Winner For Invitational Tournament Here Saturday

Rushville high school basketball team atoned for its defeat at Liberty high school here last night, 27 to 14. Rushville held the visitors to three measly field goals, two of which were made in the first half. Liberty made its score as large as it was by making eight foul goals out of ten chances—four in each half.

The victory last night makes Rushville look like a sure winner for the invitational tournament which will be held here Saturday when Shelbyville, Greensburg, Connersville, Milroy, Manilla, Knightstown,

## Get the Habit of Drinking Hot Water Before Breakfast

Says we can't look or feel right with the system full of poisons.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles. If you could believe these hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, becomes food for the millions of bacteria which infect the bowels, the quick result is poisons and toxins which are then absorbed into the blood, causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so limestone phosphate and hot water act on the stomach, liver, kidneys and bowels. It is vastly more important to bathe on the inside than on the outside, because the skin pores do not absorb impurities into the blood, while the bowels pores do.

## DON'T SUFFER WITH NEURALGIA

Use Soothing Musterole

When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief.

Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister.

Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet—colds of the chest (it often prevents pneumonia). It is always dependable.

30c and 60c jars; hospital size \$2.50.

Morristown and the local five will participate.

This is only the second loss of the season for Liberty, that aggregation having won everything up to last night with the exception of one game with Eaton, O. Among their scalp this season is that of the Steel High school of Dayton, O.

Rushville was up and after them all the time last night and had a margin of five points to spare when the whistle blew at the end of the first half. Rushville increased the lead in the second half, making it a clean victory by throwing seven field goals. Of the 27 points, only one was made with a foul goal.

The local boys played like demons. The spirit with which they entered the game spelled victory because they were out to win. Their team work excelled that of the visitors and their guarding was so close that even when Liberty did get a shot at the basket, it was nearly always a hard chance and went far from the mark.

Keating got to going exceptionally good the last half and negotiated five field goals in that period, after having made two in the first. Tompkins played a good game at the other forward. He was relieved, during the last few minutes of play, and Brown was in long enough to make one field goal. Reed pulled a field goal from the center of the floor the first half which brought the crowd to its feet.

Liberty played a good clean game and will undoubtedly be a strong contender at the sixth district tournament. A big delegation came over with the team.

Rushville high school second team won the curtain-raiser from a five from the Rushville township consolidated school in the Webb neighborhood, 8 to 6.

The summary of the Rushville-Liberty game was as follows:

Liberty (14)	Rushville (27)	
Stevens	Forward	Keating
Mybaugh	Forward	Tompkins
Samuels	Center	Daily
Parson	Guard	Reed
Rosdick	Guard	Norris

Field goals—Stevens, Mybaugh, Thompson, Keating 7; Tompkins 2, Daily 2; Reed, Brown; foul goals—Stevens 8, Keating.

Substitutions—Brown for Tompkins, Thompson for Mybaugh and Keating for Samuels.

Referee—Westover.

## LISTEN TO OUR STORY

Come to our store and listen to the tale of this spreader. "RUSHVILLE SPECIAL." This machine is built especially for us, to fit and to fill the requirements of our own territory, and we wish you would come and listen to the story connected with this modern machine.

It has more quality features, protected by patents than any other machine we know of. It has the only beater wheel which will not clog or choke on any kind of material. It has the only box that will not clog or choke. It has the lightest draft of any known spreader. Customers tell us they can see no difference in the draft when distributing or when hauling the load to the field.

The main bearings are built like a railroad car—packed with waste and oil. It is almost entirely of steel, and because of this unusual construction and the lack of hard, heavy draft, it carries a guarantee for five years.

The "RUSHVILLE SPECIAL" has only two gear wheels, only one lever, and requires less knowledge and skill and experience to operate than any manure spreader we ever heard of. It is almost human in its operations. You work one lever and everything else takes care of itself.

We are selling this spreader because we believe it is the best machine that money can buy. We know this from our own experience and the experience of others. Come in and listen to the story the "RUSHVILLE SPECIAL" can tell.

Fifty-three of his friends took part in arranging the surprise and spent a happy evening together playing games while music was played on the Victrola. Dainty refreshments were served late in the evening.

Among the guests were Mr. and Mrs. Ernest Linville and children, Mr. and Mrs. Sam Hendricks, Mr. and Mrs. Carl Hendricks, Mr. and Mrs. Bert Gilson and daughter, Dorothy, Mr. and Mrs. Tom Miller and daughter, Mr. and Mrs. Fred Hann and children, Mr. and Mrs. Ora Cline and children, Mr. and Mrs. Carry Cross and children, Mrs. Newlin, Mr. and Mrs. Raymond Fair, the Misses Mary Carr, Valla Hileman, and Dallas Bird, Marian Gibson, Robert Fair and Thomas Fair.

## AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy.

Almost everyone knows that Sage Tea and Sulphur properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

First Presbyterian church was held yesterday afternoon with Mrs. Joseph Cowing at her home in North Main street. The business session was following by a pleasant social hour when the guests did Red Cross work. The assistant hostesses were Mrs. Mollie Conner, Mrs. John Morris and Mrs. Jesse Winship.

Miss Helen Thomas will entertain a number of her boy and girl friends at her home in North Perkins street on Saturday evening with a pitch-in supper. The guests will attend the basketball tournament during the afternoon and evening.

# POLICE TRY TO BREAK UP COAL THIEVING HERE

Arrest Two Men and a Boy, Specifically Charged with Boarding a Moving Train

## TWO ARE FINED \$2 AND COSTS

Two men and a boy were arrested last night by the police, specifically charged with boarding a moving train, but for the purpose of breaking the coal thieving which had been going on here last night. The police made the raid on coal thieves last night after repeated complaints had been made by the L. E. & W. railroad to break up the practice.

As a freight was leaving here last night, Policeman Newhouse and Havens boarded the engine and Policeman Seward the caboose, while Chief of Police waited at the Ninth street crossing. Jesse Mathews, Jesse Israel and Barnett Small were arrested as they jumped from the train. The police saw two other men leaving the vicinity pushing a handcart. The police gave chase and the men ran, abandoning the cart which was partially filled with coal.

Mathews and Israel pleaded guilty in police court this morning and were fined \$2 and costs each. They arranged to stay the fines. Small, who is a boy, was released last night and will be brought up in juvenile court.

# IF BACK HURTS BEGIN ON SALTS

Flush the Kidneys at once when Back-ache or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of stinging, get about four grains of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for 3 or 4 days and your kidneys will then act normally.

This famous salt is made from a blend of grapes and lemon juice, compounded with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, plus to neutralize the acid in urine so it no longer irritates, thus ending bladder discomforts.

of the war. The shock has been felt from a distance but the death of this dear boy brings it into our own homes. The community feels it. We all feel it."

The military escort from Camp Taylor was composed of Lieutenants Scott Buell, Ivan Coyne, Harry Petry and Hays, Captains Perry Oneal and Cary Carson and Private Robert Humes. They marched at the head of the cortege, the platoon from the Tenth infantry following. The Uniform Rank, Knights of Pythias followed and then came the hearse.

The pall bearers were from the Uniform Rank and were as follows: Floyd Hogsett, B. O. Simpson, G. P. Hunt, Samuel L. Trabue, Ed Beer and John Worthington.

The military escort of officers and privates from Camp Taylor and Fort Harrison sat in seats reserved for them. Seats were also reserved in the center section for the relatives. Reading the 23rd Psalm, the Rev. Mr. Bunnell led the family to their places.

After the scripture reading by the Rev. Mr. Bunnell, the Rev. D. Ira Lambert of the First Presbyterian church offered prayer and Judge Sparks spoke.

"Greater love has no man," said Judge Sparks, "than this when he lays down his life for a friend. Success is viewed by the amount of one's life spent. If that be the true measure, then Walter Gartin has paid the supreme sacrifice and has again been successful."

"We meet here not as members of this church, because most of us are not, but because he was a child of this county, a part of the great commonwealth of the state of Indiana."

"Walter Gartin was good, kind, gentle, well-mannered and gentlemanly, and it is to him we pay respect."

"At such times as this language is wholly inadequate. I feel like reverential silence is better."

"Might that we as a community," he declared addressing the family, extend our arms and help the distressed family bear the burden of this loss. Walter was one of the first to go and the first to come back. But there is a cheerful side to this. I do not want to harrow feelings. We will think of Walter as an example for other young men."

"You have not been alone in this vigil. During the silent hours of the night prayers have been sent to the throne to spare this boy. I do not know why these prayers were not answered. That is not for us to explain."

The services closed with the ritualistic service of the Uniform Rank, Knights of Pythias.
